

Sl.No	Name	Title
1	yogesh sarma	Treatment and Utilization of Sewage Sludge for Biogas Production
2	Apoorva Goel	Poster on synthesis of TiO ₂ nanoparticles using a bacterial strain, Alcaligenes Aquatilis and their application in degradation of an azo dye, Acid Yellow 17
3	Mythili Surendran	Structural characterization and NO _x reduction on Nano-crystalline Pr-Doped Ceria-Zirconia Solid-Solution catalysts synthesized by EDTA-Citrate Complex Method
4	Jidev Pk	Synthesis and characterization of zirconia based materials by hydrothermal methods
5	Priyanka Drizzle	Estimation of Vapour Pressure Correlation for Water
6	Manasa K H & Manisha	Biological solar cells
7	Monali	Extraction of silica form risk husk ash
8	SHISHIR R K	Optimization of Pretreatment of Cocoa Pod Shells for Release of Sugars
9	Pranita Dsouza	Fermented fruit juice production
10	Rashmi	Conversion of waste paper into useful bioproducts
11	Chandrika Chandu	A Novel Approach for Bioethanol Production from Non-edible Oil Seed Cake Co-fermentation with Rhizobium sp. and Saccharomyces Cerevisiae
12	Prathmesh Joshi	Development and characterization of Mg based biodegradable alloys for Bio-material applications
13	Ajay Lawrence	Perpetual Kinetic Machine (PKM).
14	D.Aravindsamy	Cellular engineering
15	Manoj Kumar	Solubility of Solids in Supercritical fluids: Cubic Equation of State Modeling
16	Angeline Xavier	Nanotechnology- structural stability: review
17	Subha Sri	Greenhouse gases emission control strategies
18	Praveen cherry	Synthesis of Bio-diesel

Guidelines for Posters/Projects

- ✓ **Posters:** There is no limitation on number of authors, however, at least one author should pay registration fees for the poster presentation.
 - **Posters should be of size A0 (Width: 841 mm , Height: 1189 mm)**
 - **Poster Fonts: MS Sans Serif fonts of not less than 30 pt size.**
 - **Posters do not require full length paper submission.**
- ✓ Authors/Participants and accompanying project mates (Students only) are given **accommodation** only from **20th December 2015 to 22nd December 2015.**
- ✓ Authors/participants are requested to present their project/poster from **21 st December (9 am) to 22nd December 2015 (5 pm).**
- ✓ The judgement will be during the above specified duration only.
- ✓ The students are requested to contact at icace2015.nitk@gmail.com and spcchemical@gmail.com for queries.
